16. GENERATOR'S CERTIFICATION: I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations.

If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.

HANDLING METHOD

Check the appropriate box.

- ☒ The waste identified above must be treated to meet the applicable standards in 22 CCR, Division 4.5, Chapter 18, Article 11.
- ☐ The waste identified above meets the applicable treatment standard.
"I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through knowledge of the waste to support this certification that the waste complies with the treatment standards specified in CCR Title 22, Division 4, Chapter 30, Article 41. I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of fine and imprisonment."
- ☐ The waste is subject to a variance. The expiration date of the variance is indicated above.
- ☐ The Non-RCRA waste identified above is not currently restricted from land disposal.

GENERATOR CERTIFICATION

I hereby certify that all information supplied above and on all associated documents is complete and accurate to the best of my knowledge and that no omissions or errors exist.
